

What's New

- Key features of the enhancement:
 - Domain dropdown** – lets students/staffs to select their domain instead of typing it
 - Password show/hide icon** – helps students view their password to avoid login errors

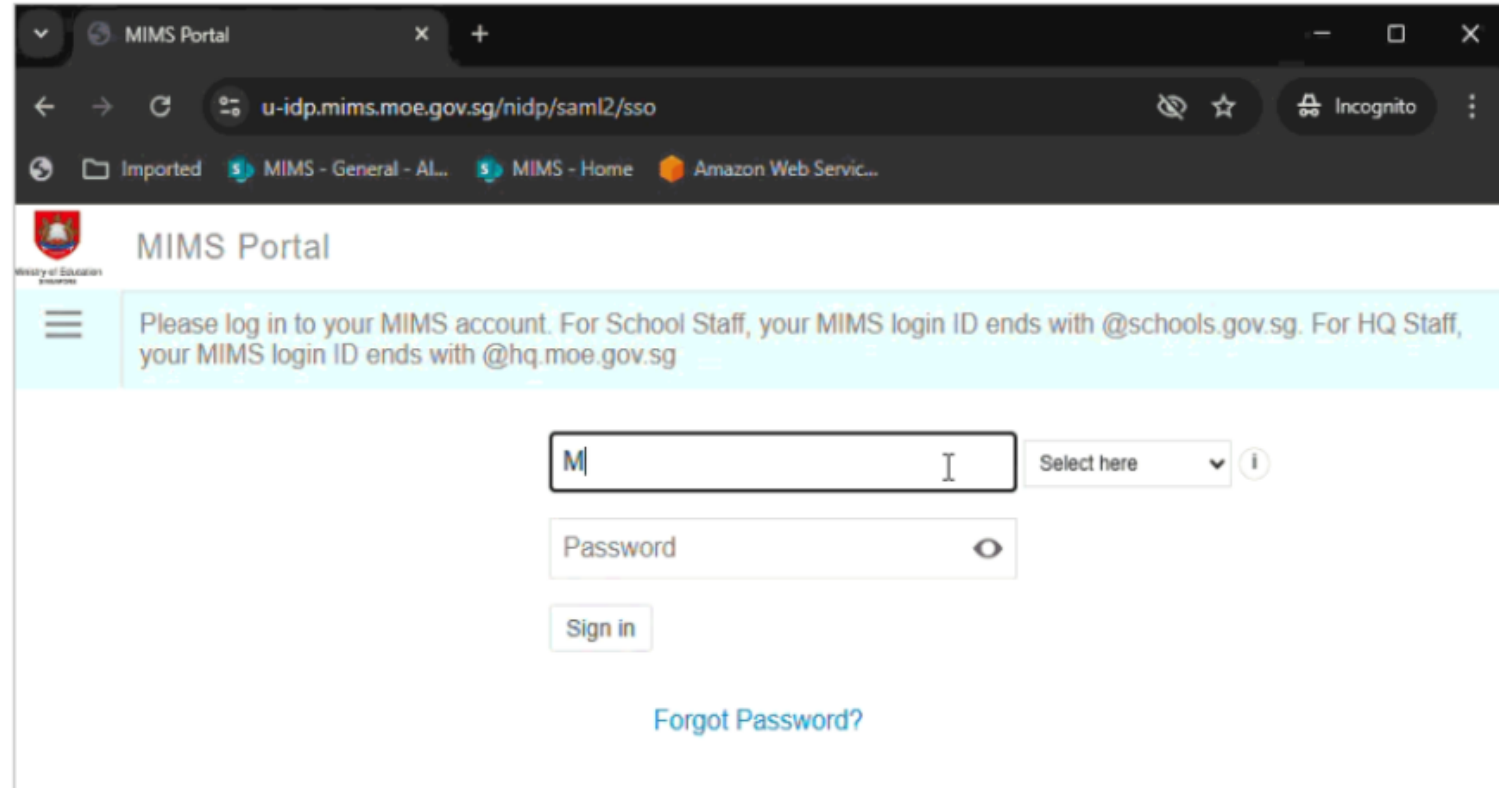

How It Works?

- Step-by-step guide:

1. Enter your MIMS User ID (without the domain).
2. Select your domain from the dropdown list.
(e.g., @students.edu.sg)
3. Enter your password.

Click the “eye” icon to view your password if needed.
4. Click Login.

The screenshot shows a web browser window with the title 'MIMS Portal'. The address bar displays the URL 'u-idp.mims.moe.gov.sg/nidp/saml2/sso'. The browser's address bar shows several tabs: 'Imported', 'MIMS - General - AL...', 'MIMS - Home', and 'Amazon Web Servic...'. The page content includes the MIMS Portal logo and a message: 'Please log in to your MIMS account. For School Staff, your MIMS login ID ends with @schools.gov.sg. For HQ Staff, your MIMS login ID ends with @hq.moe.gov.sg'. Below the message, there is a login form with a text input field containing 'M|', a dropdown menu labeled 'Select here', a password input field labeled 'Password' with an eye icon, a 'Sign in' button, and a 'Forgot Password?' link.
